DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment to the most recent claims filed on July 11, 2008, was given in a telephone interview with Mr. Alexander Schlee (Applicant's Attorney) on October 24, 2008.

The application has been amended as follows:

Claim 1, lines 1-2, delete "container, in particular for a"

Claim 1, line 2, delete "with"

Allowable Subject Matter

2. Claims 1-21 are allowed.

The following is an examiner's statement of reasons for allowance: none of the prior art of record nor the prior art reviewed during the Examiner's search disclosed "a lid for a beverage can wherein the bounding rim of the opening is bounded by a reinforcing bead formed as a depression into the upper side of the lid plate, wherein a finger clearance in the form of a depression is formed into the lid plate on the side of the opening remote from the fastening stud as a convex extension of the annular bead, the finger clearance protruding beyond the covering collar of the gripping portion in the

closure pivoted position of the opener tab" in conjunction with the other features as claimed. Furthermore, based on the prior art searched, it would not have been obvious to dispose a depression with it's corresponding structure in the location as described in conjunction with the remaining structure and function as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to NED A. WALKER whose telephone number is (571)270-3545. The examiner can normally be reached on Monday - Friday 7:30 AM - 5:00 PM EST.
